

PRODUCT DESCRIPTION

- » Precision-ground in pairs to hold workpieces parallelly in place
- » High-quality neodymium magnets guarantee an optimal adhesion
- » Reduced set-up times through easy installation
- » Magnetic adhesion on one side prevents the adhesion of chips

MATERIAL

- » 1.1269 hardened

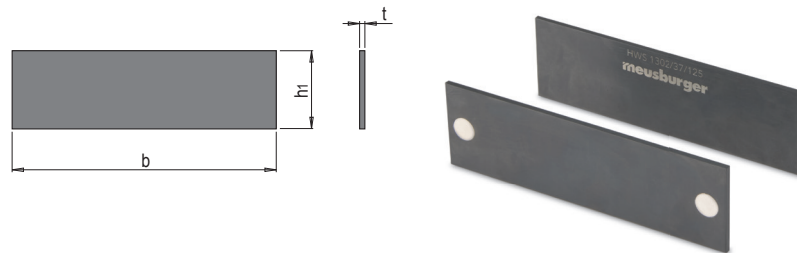

Set contents	 Pair / PU	No.	EUR
All parallel bases, magnetic HWS 1302 with b=125 mm in a Set	5	HWS 1302/ 2,5/125/Set-5	<>
All parallel bases, magnetic HWS 1302 with b=160 mm in a Set	5	HWS 1302/ 2,5/160/Set-5	<>
