

### PRODUCT DESCRIPTION

Multifunctional foam cleaner ensures residue-free cleaning of many surfaces made of plastic, metal, and glass as well as lacquered surfaces. Ideally suited for cleaning of factory equipment, machines, displays, hand tools and additional surfaces in workshop environments.

### ADVANTAGES

- » Neutral to many surfaces
- » Highly concentrated foam for fast and efficient cleaning
- » Economic in consumption
- » Biodegradable with no environmentally hazardous ingredients

### APPLICATION

Shake can well before using. Spray on from a distance of approx. 25 cm, leave on for 30 seconds and wipe off with a clean cloth.
